

## Privacy Policy of The Weed Science Society of Japan

1. The Weed Science Society of Japan (hereinafter the “Society”) shall comply with laws, national guidelines and other standards regarding the handling of personal information in relation to personal information handled in all of its operations.
2. The Society shall not use personal information for any purposes other than the following.
  - Managing member information
  - Requesting membership fees
  - Dispatching journals and conferring browsing rights
  - Managing conventions, symposiums and seminars
  - Electing officers and trustees
  - Communicating regarding matters relating to the Society
  - Obtaining opinions regarding matters undertaken by the Society
3. The Society shall endeavor to manage personal information appropriately, making efforts to ensure that personal information is not externally leaked, destroyed, manipulated, or lost. Furthermore, the Society shall stipulate in agreements, etc. so that outsourced contractors and organizations, etc. consistently perform the appropriate management in the same manner as the Society.
4. The Society shall not provide personal information to any third party, except in cases in which the prior consent of the person is obtained or in accordance with laws and regulations.
5. The Society shall, in the event of receiving complaints or consultations regarding the handling of personal information, rapidly investigate the facts of the matter and respond in good faith within a rational time period.

Inquiries related to the handling of personal information:
