

Welcome to IPPC2019

The XIX International Plant Protection Congress will focus on crop protection technologies to mitigate the effects of climate change for food security and environment conservation. On behalf of the International Association for the Plant Protection Sciences (IAPPS), ICRISAT and the Crop Protection Societies in India, the organizers are pleased to invite you to participate in IPPC2019.

Symposia

Interested scientists may submit proposal to organize a symposium by 28 February 2019. Each symposium could be of 2, 4, 6 or 8 hour duration, depending on the number of oral presentations. The organizers will be informed about the acceptance of their proposal to organize symposia for IPPC 2019 by 15 March 2019. All the abstracts of the papers to be presented in the accepted symposia should be submitted by the due date by the organizer/co-organizer, and the registration fee by the participants.

Please send your proposed symposia to: IPPC2019@cgiar.org with cc to eheinrichs@unl.edu
